

Shore Points Amateur Radio Club  
Minutes of the meeting held May 15, 2014  
at the Brigantine Community Center

The meeting commenced at 7:38 P.M with the Pledge of Allegiance. Five voting members and one associate member were present.

The minutes of the previous meeting, held on April 17, 2014, were read by the club secretary, David Holmes. Fred Twist motioned to accept the minutes, Rick Hitchen seconded and the vote passed unanimously.

Club Treasurer, Bob Webb then read the financial report for March. There was a complete accounting for all of the clubs financial assets in the amount of \$555.46 in cash. Dave motioned to accept the report, Fred seconded and the motion passed unanimously.

Then the floor was opened to old business. Gary Paul had spoken to Jim Bennett concerning the Field Day arrangements and would follow up with him in the near future. It was again pointed out that At Holmes had acquired the K2B call sign on behalf of the club for Field Day. Dave had mailed out the four membership applications as discussed at the previous meeting and was then reimbursed for postage expenses.

The floor was then opened to new business. Dave had received two responses from the four membership applications that were sent out. Mike O'Brien, sponsored by Gary, and Gary Castellini, sponsored by Rick, both returned applications accompanied by prorated dues for the rest of the calendar year. Both were voted on and both were accepted into the club unanimously. It was pointed out that Rob Grachola and Chuck Taylor had not paid dues for the current year which brought into question their intentions to remain members of the club.

Rick pointed out that there has been noise on the 146.560 Mhz frequency used for the Friday night simplex net and said that he would like to test a back up frequency for the net, the following night after the net and that it would most likely be in the 440 band.

The topic then turned to Field Day preparations. We compiled a list of who was in possession of what, who would be contributing what and what has yet to be acquired.

At 8:25 PM Fred motioned to conclude the meeting, Bob seconded and the motion carried. Immediately following the meeting a 50/50 drawing was held. Bob drew the winning ticket which was held by Rick and the club netted \$10.00.
